

### Assembly instructions

For mounting the studio desk, use the supplied screws and washers. Use a soft padding to avoid damage to the components.

1. Screw the support brackets for the lower table top with each one metric screw at the desired height on both side panels.
2. Screw the lower single strut to the support for the upper table top with each two metric screws between the two side panels.

Then screw the rack frame with four metric screws right and left on the side panels and on the support for the upper table top.

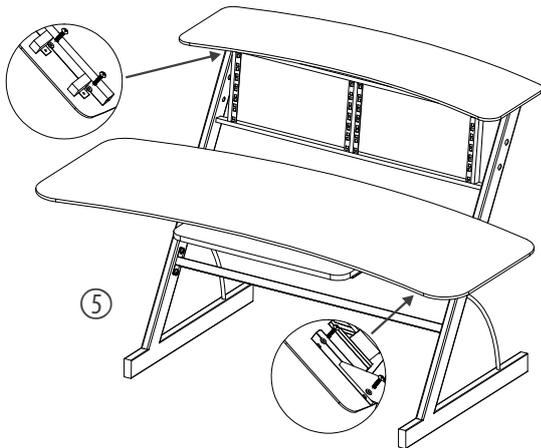

3. Screw the central strut to the brackets for the keyboard shelf with each two metric screws beneath the support brackets for the lower table top between the side panels.

Screw the two fixing brackets for the keyboard shelf with each two metric screws properly orientated on the middle strut.

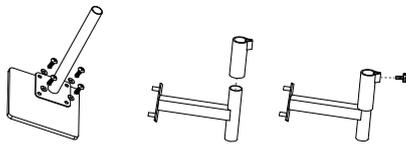

4. Screw the keyboard shelf with each two wing nuts on both fixing brackets.

5. Screw the larger lower tabletop centered with wood screws to the two support brackets and the smaller upper tabletop equally to the upper support.

6. Assemble the two monitor tables at the sides as shown and put them into the two brackets.

7. Screw the brackets of the monitor tables with each two metal screws on the side panels.

Loosen the handscrews on the brackets for aligning the monitor tables.

### Technical specifications

- Materials used:
  - steel sheet (side panels, struts)
  - wood (table tops)
- Dimensions (W × H × D):  
1930 × 1270 × 1070 mm
- Weight: 40 kg

Ensure that plastic bags, packaging, etc. are disposed of properly and are not within reach of babies and young children. Choking hazard!

Because of its heaviness, at least two people are always required for the transport and installation of the studio desk.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are fed to a recovery. Please follow the notes and markings on the packaging.
